Subject: **68<sup>th</sup> Lindau Nobel Laureate Meeting dedicated to Physiology or Medicine to be held in Lindau, Germany on 24-29 June 2018.**

Excellency,

The Lindau Nobel Laureate Meetings provide an opportunity for highly talented young scientists/ researchers to interact with 30-40 Nobel Laureates for one week in Lindau, Germany. Nearly 600 hundred young scientists interact with Nobel Laureates in their respective fields every year. The Lindau meetings foster exchange among scientists of different generations, cultures, and disciplines.

The scientific programme of each Lindau meeting is based on the principle of dialogue. In 2018, the programme will focus on the **Physiology or Medicine** and closely related disciplines. Lectures, discussions, master classes, and panel discussions are designed to activate the exchange of knowledge, ideas, and experience between Nobel Laureates and young scientists. (Detailed information is available at [www.lindau-nobel.org](http://www.lindau-nobel.org).)

COMSTech has signed an agreement with the Council of Lindau Nobel Laureate Meetings under which up to 20 highly talented young scientists/ researchers from the OIC Member States can be nominated for participation. This program will help broaden the scientific base of the young scholars and motivate them through interaction with leading scientists of the world.

Your Excellency is requested to kindly help propagate this information to your leading medical universities and research institutes so that highly talented young scientists/ researchers can avail this opportunity. COMSTech will provide an economy class return air ticket and cover 50% (€2500) of registration fee + local hospitality, while the Lindau Council will cover remaining 50% (€2500) for registration fee + local hospitality to the selected candidates.

I will be further grateful if nominations are received at COMSTech by the 15<sup>th</sup> October 2017. The application form and information note is attached for Excellency's kind information.

Please, accept Excellency, assurances of my highest consideration and best regards.

Dr. Shaukat Hameed Khan,  
Coordinator General

## Interact with Nobel Laureates in Lindau, Germany

### Call for Nominations for the 68<sup>th</sup> Lindau Nobel Laureate Meeting Dedicated to (Physiology or Medicine) 24-29 June 2018

As an Academic Partner of the Lindau Council of Nobel Laureates Germany, The OIC Standing Committee on Scientific and Technological Cooperation (COMSTech) is seeking nominations of highly talented young scientists from the OIC Member States. The participants will be recruited among i) undergraduate students, ii) master and doctoral students, and iii) young postdoctoral scientists in the field of Physiology or Medicine and closely related disciplines.

Permanent nationals of the OIC Member States studying or working in their respective countries who fulfil the following eligibility criteria can apply for this meeting. The award includes economy class return air ticket and €5000 per selected candidate to cover the Registration Fee and Accommodation Charges for one week.

The Lindau Nobel Laureate Meetings were started under the patronage of former German President Horst Köhler and funded by the Robert Bosch Stiftung and the Bundesministerium für wirtschaftliche Zusammenarbeit. Participation in the meetings is highly prestigious and it is a unique opportunity for most promising young scientists from the OIC Member States to enhance their knowledge, establish new contacts and discuss relevant topics through interaction with 30-40 Nobel Laureates and international young scientists in lectures, panel discussions and small-size discussion session. About 600 highly-talented young scientists are expected to attend this meeting. The Detailed information is available at [www.lindau-nobel.org](http://www.lindau-nobel.org).

#### ELIGIBILITY:

Nominated participants who should meet the following selection criteria are eligible to participate in the meeting:

- Must not be older than 35 years of age or younger at the time of meeting.
- Be fluent in English and capable of active participation in discussions.
- Belong to the top 5% of their class.
- Show a genuine interest in science and research.
- Show a strong commitment to their principal field of study and to interdisciplinary work.
- Who have not participated in the previous Lindau meetings.
- Who have not yet a permanent position (scientists with permanent position – in particular on the professor level – will not be admitted to the meeting).
- Receive strong support of their application by their academic advisor and/ or by the international renowned scientists, through a detailed letter of recommendation, which greatly influence the evaluation. For those in medical clinical training, two letters of recommendation would be helpful – one from a scientists mentor and one from a medical mentor.

It is intended to have a good balance between these three groups:

- (1) Undergraduate students, who
  - exhibit a solid general knowledge in physiology or medicine
  - have done some practical work and/or have laboratory experience.
